Hey Damien,

I just talked with Dave. He's got a contact for the venue and a possible alternative. He'll respond with more information. Hope all is well. ~Sterg

Sterg and Hayley -

As we're gearing up to issue Powder Mill draft we have to get venue for the public hearing. Do either of you have contact for the space we used when we had the public meeting last year? If you have ideas for other potential space that would be o.k. too.

Please let me know. Thanks.
